

Appl. No. 10/749,103

Docket No. MIT-136BUS

REMARKS

On October 26, 2005, Applicant received a call from Examiner David Zarneke pointing out that the Preliminary Amendment filed on July 29, 2005, contained a numbering error with respect to the claims.

In particular, the Preliminary Amendment filed on July 29, 2005 added new claims beginning with claim number 64 and continuing through claim number 86. The Examiner pointed out that the original application as filed contained claims 1-65 thus the claims added by the July 29, 2005 Preliminary Amendment should have been numbered 66-88. Thus, the purpose of this corrected Preliminary Amendment is to correct the claim numbering error in the Preliminary Amendment which was submitted on July 29, 2005.

During a telephone call with the Examiner on October 26, 2005, the Examiner instructed the Applicant to renumber the claims as shown above and advised that he would withdraw the Preliminary Amendment filed on July 25, 2005. To the extent that any consent is required from the Applicant for the withdrawal of the Preliminary Amendment dated July 29, 2005, such consent is hereby given.

The Examiner is respectfully invited to telephone the undersigning attorney if there are any questions regarding this Amendment or this application.
